LOOKING TO BE PAMPERED?

Complexion Perfection: Restore that smooth, even, healthy glow! This theme focuses on specialized skin care and facial treatments beyond the basics. Each guest will receive a custom skin care analysis and indulge in a cleansing and moisturizing regimen. We work in anti-aging skin supplements - including masks, eye creams, peels, serums, and/or microdermabrasion.

Detox and Destress Spa: Prepare to be pampered! This theme starts off with a personalized skincare regimen, followed by the super popular trend of multimasking. With a gentle charcoal mask, perfect for unclogging pores and reducing redness, combined with an ultra-hydrating Moisture Renewing Gel Mask, your skin is going to feel clear and calm. Top it off with hot towels and Hydrogel Eye Patches for a serene experience you'll never forget!

Restore and Renew Spa: Relax and renew your skin! Receive a personalized skincare regimen, followed by a lineup of our most restorative products. Choose from a gentle facial peel or a microdermabrasion treatment to leave your skin feeling like new! As the guest of honor, the hostess will receive a Biocellulose facial treatment complete with Hydrogel Eye Patches for a deluxe pampering experience!

DIY Pedi Spa: Bring the pampering of a luxurious spa to the comfort of your own living room! This includes your choice of a face/body treatment and even pedicures! We provide tubs, hot towels, and supplies for a do-it-yourself pedicure class. Samples a variety of body lotions, body treatments, and fragrances!

Tuck Me Into Bed: Simple steps to prep before you say goodnight! Similar to Complexion Perfection, this theme focuses mainly on a before-bed skin regimen. Come dressed ready for bed, bring your slippers, and there's even a prize for the best PJs! The ultimate in comfy and cozy!
