

I'm So Excited you are a part of our Mary Kay Family!

Giving families choices is what Mary Kay is all about and my greatest desire is to help YOU design the life of your dreams! We all begin with the same Starter Kit and then we get to choose what success looks like for us, based on our timing and terms. How empowering is that??

I started just like you in 1987 while I was active duty in the Air Force. After just one year, I was able to step away to build my business full-time. My goal from the beginning was to be a 6-figure, work-from-home Mom.

My husband, Tom, has since retired from the Air Force and because of my Mary Kay income, he works with me in our dream home in Tennessee. He takes care of the paper side of the business so I get to invest all of my time coaching leaders like you.

Our daughter, Samantha, who was 18 months old when I started, is now our Unit Manager. You will hear from her soon so she can walk you through the digital side of the business. So fun to have a family business.

You are joining one of the top ranked Units in the U.S. that has sold over 20 Million dollars of product since 1987. You are also a part of our Dream Team National Area, which is currently Top 40 in the nation. Together, we have sold over 65 Million dollars of product! That's blessing a lot of clients with this powerhouse product!!

You are an important part of our Mary Kay family, regardless of your activity. I am honored to be partnering with you to step you into the life of your dreams!! Let the journey begin today...let's write your success story and make it a masterpiece!
