A Picture of My Goal!

It's amazing how our focus and commitment increases when we are working towards something of value! Your goal this month could be something you wouldn't normally purchase for yourself with your family budget, a weekend vacation, a new pair of cute shoes, a new outfit, a new grill, the payment of a household bill, or a family in need. When you're really excited to accomplish a goal, you'll always find a way. If you don't, it's easy to let circumstances and excuses get in the way!
