- You are supporting a company started by a real woman, Mary Kay Ash, in 1963. We were created by a woman for women!
- Fast forward 57 years later: Mary Kay is a global powerhouse that is still a private, family-owned, multi-billion-dollar business.

Tell me what you know about Mary Kay

- You can be proud of our environmentally friendly company with a "PINK DOING GREEN" program.
- The majority of our products are manufactured in the United States.
- Our brand new \$100 million R&D plant in Dallas and distribution centers have a "zero landfill" designation.

- We donated thousands of hand sanitizers during the coronavirus pandemic to frontline workers and first responders that were made right here in the US.

- Over 80 million dollars have been donated since the program started.
- Women and families are safe tonight in shelters all across the US because of the millions of dollars a year donated to domestic violence shelters around the country.
- We also donate \$1.2 million a year to cancer research to eradicate cancers that affect women.

- There are families impacted all across the globe!
- Thousands of employees here in the United States and millions of consultants in almost 40 countries say "Thank you".
